Senior Connections Choral Group

Advocacy through Music!

The Senior Connections Choral Group is a group of volunteers demonstrating seniors aging well through the power of music. Members are participants in the Retired and Senior Volunteer Program (RSVP).

The Choral Group has a wide repertoire representing many different composers and styles of music such as Big Band, Latin, Modern Rock, Oldies, and New Tunes. The group tailors its performance to be appropriate for the audience for which we perform.

The Group receives consistently positive reviews and has many repeat clients.

Please call Choral Director Tony Williams (804) 343-3050 for further information.

The Choral Group does not charge performance fees. We do accept monetary considerations to help with operating costs. Please make checks or money orders payable to Senior Connections and mail to SC/CAAA Choral Group, 24 E. Cary St., Richmond, VA 23219.
